

Series FB, FB5, PWFB, PWFB5 Investor Account Agreement (where Investor signature is required)

This agreement (the "Agreement") is between

the "Investor" or "you"

"Joint investor" (if applicable)

the "Dealer"

and Mackenzie Financial Corporation, ("Mackenzie" or "we"),

(each a "Party" and collectively, the "Parties") and it relates to the purchase of Series FB, Series FB5, Series PWFB and/or Series PWFB5 securities (the "Securities") of the Mackenzie Investment Funds (each a "Fund") applying the negotiated fees payable by the Investor to the Dealer described in paragraphs 4 and 5 below and as set out in Schedule A (the "Advisor Service Fee"). This Agreement is in addition to any other documents you sign in respect of your account(s) with Mackenzie (the "Account Agreement"). The Securities of a Fund are offered pursuant to simplified prospectuses, annual information forms, fund facts and other offering documents required by securities regulators (collectively, the "Disclosure Documents"). If a Joint Investor is a party to this Agreement, then all references to "Investor" or "you" in this Agreement refer to both the Investor and the Joint Investor investing through a jointly held account. The Parties agree as follows:

Eligibility

1. You confirm receipt of the Securities, and the Dealer confirms delivery to you of the fund facts for the securities of the Funds in which you are investing in accordance with Securities regulations. You and the Dealer acknowledge that each purchase and sale of Securities under this Agreement will be made pursuant to the provisions of the Disclosure Documents and the terms and conditions of this Agreement are in addition to all terms and conditions set out in the Disclosure Documents. If there is a conflict between this Agreement and the Disclosure Documents, the provisions of the Disclosure Documents prevail.
2. The Series FB and Series FB5 securities are for investors who invest at least \$500 in a single account ("Account") in a Fund and the Series PWFB and Series PWFB5 securities are for investors who invest at least \$100,000 across Eligible Accounts (as defined in the Prospectus) (together the "Minimum Investment Amounts"). These requirements may be changed or waived by Mackenzie at its discretion. You acknowledge that, other than for investments in money market or similar funds and other exceptions provided for in the Disclosure Documents, transactions in Securities within 90 days after purchase will be subject to the short-term trading fees described in the Disclosure Documents. Short-term trading fees do not apply on the redemption of Securities to pay Advisor Service Fees (defined below).
3. Subject to Section 2, you must maintain your investment in each Series of Fund Securities in excess of the applicable Minimum Investment Amount in order to continue to hold Securities or to purchase additional Securities. If the market value of the Securities you hold in an Account falls below the applicable Minimum Investment Amount for any reason other than market depreciation, Mackenzie may, in its discretion, switch the Securities of the Fund to another series of securities of the same Fund in accordance with the simplified prospectus. You acknowledge that Mackenzie may change the Minimum Investment Amounts at any time. Any such change will not impact your continued ownership of Securities purchased prior to the effective date of the change.

Advisor Service Fees

4. The Dealer and your financial advisor (the "Advisor") provide services to you. In consideration for these services, you, and the Joint Investor (if applicable) agree to pay a fee (the "Advisor Service Fee"), plus applicable taxes, to the Dealer. The Advisor Service Fee is negotiable but may not exceed an annual rate of 1.50% and is charged at the "Account Level" or "Fund Level" as agreed upon and set out in Schedule A. If the Advisor Service Fee is not reflected in Schedule A for any account(s), then the Advisor Service Fee will be set at 0% until a revised Schedule A signed by all the Parties is received.
5. **The Advisor Service Fee, plus applicable taxes is payable by you at the end of each calendar quarter. You authorize Mackenzie to redeem Securities held in each Account set out in Schedule A without further notice and to apply the redemption proceeds to the payment of the Advisor Service Fees, plus applicable taxes. You acknowledge that the redemption of Securities to pay the Advisor Service Fees plus applicable taxes could result in a personal obligation to pay income tax in respect of any capital gains realized.**
6. Mackenzie may change the procedures used to charge and collect Advisor Service Fees provided the change does not result in an increase in the total amount of fees paid by you.
7. No compensation is payable by Mackenzie to the Dealer or Advisor in connection with your investment in the Securities.
8. You acknowledge that no statement contained in this Agreement or in the Disclosure Documents constitutes tax advice and that none of Mackenzie, the Dealer or the Advisor is providing tax advice to you. You agree that none of Mackenzie, the Dealer or the Advisor have made any representations with respect to the tax deductibility of Advisor Service Fees paid by you. Both Mackenzie and your Dealer recommend that you discuss any potential for tax deductibility of Advisor Service Fees with your tax advisor.

Automatic Switches

9. Mackenzie will automatically switch your Series FB or FB5 securities into Series PWFB or PWFB5, as applicable (“Automatic Switches”) once your holdings either individually or across Eligible Investments (as defined in the simplified prospectus of the Securities, the “Prospectus”) within your Eligible Accounts (as defined in the Prospectus) meet or exceed certain asset thresholds as further set out in the Prospectus (the “Eligibility Criteria”). The Automatic Switches will occur such that you will be invested in the series with the lowest combined management and administration fees for which you are eligible. Upon an Automatic Switch your negotiated Advisor Service Fee, as set out in Schedule “A” of the Series FB, FB5, PWFB, PWFB5 Investor Account Agreement, will remain the same.
10. You are responsible for ensuring your Dealer is aware of all Eligible Accounts that should be linked in order to qualify for the Automatic Switches into Series PWFB and PWFB5 securities. Eligible Accounts will only be linked after Eligible Account information is communicated to Mackenzie by the Dealer. Mackenzie will, however, automatically link accounts belonging to you if the address associated with each account is identical and they have the same dealer representative code.
11. The Eligibility Criteria and the management and administration fees applicable to the Securities are set out in the Prospectus and summary disclosure will be referenced in the Fund Facts documents for the Securities, which are available on SEDAR and at www.mackenzieinvestments.com

Termination

12. This Agreement is effective as of the date it is signed. It will remain effective until the earlier of (i) the date on which you, the Dealer or Mackenzie gives written notice of termination to the other Parties and (ii) the date that you no longer own Securities.
13. If you continue to hold Securities after termination of this Agreement, then unless you instruct your Dealer to the contrary, the Securities will be switched to another series of the same Fund as provided for in the Disclosure Documents.

Advisor Service Fees payable on Securities purchased during a calendar quarter will be prorated and charged at the end of calendar quarter-ends.

Advisor Service Fees payable on a partial redemption of Securities during a calendar quarter will be prorated and charged at the end of the calendar quarter unless the remaining Securities in the Account are not sufficient to pay the prorated Advisor Service Fees, in which case the prorated Advisor Service Fees are payable on the day of the partial redemption.
